

THIS IS OUR JOURNEY

© 2008 Rowena Capacio & Norman Holmes

Verse 1: G Em
We were slaves of sin, hope was dead within,
 Am D
But then You came, but then You came.
 G Em
You set the captives free, caused our eyes to see
 Am D
Because You came, because You came!

 Em Em/Eb G/D A/C#
Now we follow You and pray, that we'll never go a-stray
 C Am D
That You'll lead us all the way in Jesus' name!

Chorus: G Em
This is our journey, beginning with salvation;
 Am D
Baptized in the Spirit, circumcised in the heart.
 B Em D/F# E
Changed from glory to glory, and strength to strength,
 Am D G
'Till we see Jesus face to face!

Verse 2:
As we're moving on, darkness turns to dawn

In Jesus' name, in Jesus' name!

Through the wilderness, through each trial and stress

In Jesus' name, in Jesus' name!

Lead us by Your mighty hand, inheriting the Promised Land

'Till on Your Holy Hill we stand, and there proclaim:

Bridge: Em Bm
One thing I have desired of You, that I will seek
 C D G
To dwell in Your presence, O Most High
 Em Bm
To see Your power and glory, and be changed more like You
 C D
This is what I pray, this is my heart's cry,
