

Cry Out for the Nations

Norman Holmes

Verse 1

Since the world was first cre-ated
God had planned to form a people
Who would know and love their God
And would walk with Him each day

Yet the Devil's lies, And the sin of man
Have filled the world with darkness
So to help restore the nations We now pray

Chorus

We cry out for the nations To see revival come
We re-buke the works of Satan Thru the vict'ry Christ has won
We de-clare this gener-ation Will fully over-come!

Chorus Ending 1

Send re-vival, Lord! Send re-vival, Lord!

Verse 2

In the timing of the Father God the Son was born a-mong men
To re-veal the heart of God And to break the pow'r of sin

Through the cross of Christ And the pow'r of God
The door is now wide open
But to gain revival We must first press in!

Chorus

Chorus Ending 2

Send re-vival, Lord! 3X
FOR _____(SHOUT A NATION'S NAME)!

Send re-vival, Lord!

Verse 3

In these Last Days we are seeing That the Lord is now a-rising
To shake the heavens and earth And re-store us to His heart

So we call on God That re-vival fire
Will fill the world with glory
And the nations will all gain A brand new start!
