HISTORY

Zion Christian University was founded by the late Dr. Brian J. Bailey and the Board of Directors in 2003 and began operation in 2004. The University was established to serve as an international Pentecostal university that seeks to educate and prepare Christian leaders.

PURPOSE STATEMENTS

OUR VISION

It is the desire of Zion Christian University to impart a spiritual vision to all of our students through the courses. Firstly, we need to realize that the Lord desires to plant an onward vision within all of His people. Habakkuk 2:2 says, “Write the vision, and make it plain upon tablets, that he who reads it may run.” We all need a clear, God-imparted vision in order to hit God’s mark for our lives. Therefore, one’s spiritual vision is very important.

We are living in the last days, and whenever “the last days” are mentioned in Scripture, Mount Zion is often mentioned as well. Virtually all of the promises of God in Scripture will come upon the Church that is dwelling in spiritual Mount Zion. It is the ultimate goal of the Church of Jesus Christ, as is stated in Hebrews 12:22: “But you have come unto Mount Zion...” Geographically, Mount Zion is located in the southeast part of the city of Jerusalem. In ancient times it was called the city of David. Yet, it is not the physical mountain we speak of, but what it represents for each believer in the spirit.

To gain an understanding of the spiritual journey that we, as believers, are on, we need to study the journey of the children of Israel from Egypt, across the Red Sea, to Mount Sinai, through the Wilderness, across the Jordan River, into the Promised Land, and eventually to Mount Zion. This historical journey undertaken thousands of years ago is prophetic of our

spiritual journey as believers from earth to heaven, and from newborn babies in Christ to mature fathers and mothers in the faith.

Even as the children of Israel continued on their journey, so are we called to move on with God until we reach Mount Zion. Zion Christian University Distance Education Program is dedicated to the pursuit of this vision. Our prayer is that no matter where you are on your Christian journey, the Lord will place a new progressive vision in your heart and that you will continue on all the way with Jesus. If you will give ZCUDEP the privilege of furthering your education, we will seek to impart this spiritual vision to your life, and the wisdom to enter into its fulfillment.

OUR PURPOSE

Our purpose is to encourage students to pursue spiritual maturity by teaching the truth of God's word, promoting the adoption of a heavenly vision, seeking to cultivate godly character, and endeavoring to prepare students to be leaders God can use for His glory. The theme verse of Zion Christian University is John 8:32, where Jesus declared, "You shall know the truth and the truth shall make you free." The degree programs of this institution are designed primarily for those who are preparing for Christian leadership.

STATEMENT OF FAITH

Zion Christian University's Statement of forms the basis for our doctrine and curriculum.

1. We believe there is one God, eternally existent in three persons: Father, Son, and Holy Spirit, who is the Maker and Preserver of all things visible and invisible.
2. We believe in the deity of the Lord Jesus Christ: that Jesus existed eternally with the Father, became a man by the miracle of the incarnation, in no degree ceasing to be God. He is Co-Creator of the world and humankind, the only Savior, and coming Judge.
3. We believe the whole canon of Scripture (both Old and New Testaments), as originally given, to be the inspired and authoritative Word of God, of supreme and final authority in all that it teaches and declares.
4. We believe all men are lost apart from the saving grace of our Lord Jesus Christ; that sin is cleansed only through personal repentance and faith in the precious blood of the Lord Jesus Christ; and that water baptism by immersion should follow receiving Christ as Lord and Savior.

5. We believe the redemptive work of Christ on the cross provides healing for the body as well as for the mind, soul, and spirit. Christ has an answer for every problem of mankind, physical or spiritual.
6. We believe miracles and the gifts of the Spirit are available to the Church today for the edifying and perfecting of its members.
7. We believe God will visit His Church in the last days and bring multitudes into the Kingdom, preparing us for Christ's Second Coming.
8. We believe the baptism of the Holy Spirit, as evidenced by speaking in other tongues, is promised to all who desire it, ask for it, and obey God.
9. We believe everyone will be resurrected (saved and unsaved) and will give an account to the great Judge, whose judgment is final and eternal.
10. We believe marriage is a holy institution set forth by God in His Word as a covenant relationship between a man and a woman for life and is to be a representation of the relationship between Christ and His Church. Any other definition of marriage is contrary to Scripture and the will of God.
11. We believe in the permanence of marriage and its sanctity, thus, that divorce and remarriage to another person is contrary to God's will.
12. We believe man should live according to the moral standards set forth in Scripture by living a holy life abstaining from; adultery, fornication, and sexual uncleanness (including homosexuality, lesbianism, bisexuality, bestiality, incest, pornography, and other forms of moral impurity).
13. We believe God has ordained and created all authority consisting of three basic institutions: 1) the home; 2) the Church; 3) the state. Every person is subject to these authorities, but all (including the authorities themselves) are answerable to God and are governed by His Word.
14. We believe every Christian, as a steward of the portion of God's wealth entrusted to him or her, is obligated to support their local church financially. We believe that God has established the tithe as a basis for giving, but that every Christian should also give other offerings sacrificially and cheerfully for the support of the Church, the relief of those in need, and the spread of the Gospel. We believe that a person has no right to direct the use of the tithe or offering after the gift has been given.

PHILOSOPHY STATEMENT

PHILOSOPHY OF CURRICULUM

One of the most important aspects of a college or university is its curriculum. Even more important than how we teach is what we teach. In Matthew 5:19, the Lord Jesus Christ expressed the importance of what we do and what we teach others to do. Teachers, ministers, and educators are held accountable for what they teach others. Therefore, by God's grace, we must always seek to teach and preach the pure, unadulterated and undiluted Word of God.

The word "curriculum" in the Latin refers to a course that has a clearly defined finish line and goal. It literally means "to run a race." Habakkuk 2:2 says, "... Write the vision, and make it plain upon tables, that he who reads it may run." Through our curriculum we seek to place a vision and goal before our students of being transformed into the image of Christ and being filled with the knowledge of His Word and the power and anointing of His Holy Spirit. It is not enough to know the Word of God; we must put it into practice and reflect the beauty and nature of Christ in everything that we do. This is the goal of our curriculum.

STATEMENT OF CHRISTIAN CHARACTER & SERVICE

It is the firm conviction of ZCUDEP that enrolled students should endeavor to exemplify Christian character and Christian service. The university holds a standard of excellence not just in instruction but also in encouraging godly character. As Bible school students of Zion Christian University, students should seek to honor the Lord through living a holy life and true godliness as set forth in Scripture. Therefore, students are to abstain from adultery, fornication and all sexual uncleanness, witchcraft, drunkenness, tobacco, and illegal drugs. Bible school students should be actively involved in their local church and encouraging others in the pathway of righteousness and holiness by their words and actions.

ACADEMIC PROBATION

When a student's grade during any given term is below 3.00 the student will receive a notice. If their grade is below 3.00 for two consecutive terms the student will be placed on academic probation for the following term. This action is recorded on the student's academic record. Students whose cumulative grade point average meets the 3.0 level, but fail to complete any subjects during two consecutive terms (8 months), are also subject to academic dismissal. ACADEMIC CALENDAR

TERM SYSTEM

Zion Christian University operates on a four-month term system. The four-month term begins the date that course materials are emailed to the student. This allows our students flexibility and gives them the opportunity to study at their own pace. If students complete the term's course work before the four months have expired, they may register at any time for another subject and start their next term. If students cannot complete their subject within the four-month term, they will need to contact the ZCUDEP Philippines office. The students may then receive an extension of 4 months to finish their present course(s) at an extension fee of P 750.00 (for students residing in the Philippines) or USD 25.00 (for International students).

ADDING & DROPPING COURSES

Additional courses can be added by students at any given term upon successful payment. However, it is advisable for students not to exceed their course load so that they can complete the enrolled courses during the four month term. Students can always check with ZCUDEP Philippines office or the E-Learning Portal on the number of their present enrolled courses.

Courses can only be dropped during the given term by contacting ZCUDEP Philippines office. Dropped courses will be locked and inaccessible by students. Please note that NO refund will be given for any dropped courses. In the event that students would like to re-enroll to the courses, they need to pay the full enrollment fee and finish the course within 4 months.

COURSE LOAD

Students have the option of working on two or more courses simultaneously or working on one course at a time. This is left to the discretion of students based on what is most beneficial for them according to their time schedule and ability.

MONTHLY REPORTS

Students are required to email ZCUDEP a monthly report regarding their academic progress. Monthly reports are worth 10% of the overall grade.

GENERAL ACADEMIC POLICIES

INTEGRITY OF SCHOLARSHIP

Zion Christian University recognizes the principles of truth and honesty as being absolutely essential. Students must diligently follow these principles in all academic course work, including assignments and examinations. By agreeing to the Student Disclosure Form, the student agrees to abide by these principles. ZCUDEP requires students to complete all course assignments without unauthorized help from others.

Cheating or copying from other sources and claiming it as your own work is plagiarizing. Copying parts of sentences direct from a book (your textbook or other books) or from a website, without directly mentioning it as a quote and where it is from, is plagiarism. This can result in suspension from ZCUDEP. If students are suspected of cheating or plagiarizing, they will be notified immediately. After one warning, if this behavior persists the student's performance will be carefully reviewed and could result in academic dismissal.

METHOD OF STUDY

Zion Christian University seeks to provide a program through distance education that is easily accessible and affordable to all students. Due to the nature of distance education, students are able to study at home, work, or even during travel at their own pace and according to their schedule. Normally, courses require listening to audio lectures, reading various textbooks, and doing various assignments based on the audio, textbooks, and research. A detailed syllabus is provided for each course. It is important that students review all materials sent to them to ensure proper presentation and submission of their work.

CREDIT HOUR SYSTEM

At Zion Christian University, one term credit/unit hour of study is 15 academic hours or its equivalent. The university uses the following guidelines for courses:

- *Reading:* Each course has required reading. The reading requirement will be identified in the course syllabus and can be downloaded from the E-Learning portal.
- *Audio:* Each course has approximately 12 hours of required audio. The audio requirement will be identified in the course syllabus.
- *Review Questions:* Each course will include a series of questions related to the reading assignments.
- *Writing:* Normally a course requires a total of 10-15 pages of written work to provide evidence of the students understanding of the subject being studied. All written assignments must conform to the format of the MLA Handbook for Writers of Research Papers as already discussed.

Zion Christian University uses a combination of the above methods to ensure a solid and quality education.

PROGRAMS OF STUDY

We believe the goal of Christian education is to seek to bring students to spiritual maturity and make them complete in Christ. The purpose of our programs is to seek to enrich the student's personal relationship with the Lord Jesus Christ, impart to the student a thorough knowledge of God's word, and prepare the student to be an effective leader who is able to rightly divide the word of God. The programs of Zion Christian University are theological in nature and therefore designed to prepare the student for Christian leadership positions.

COURSE DESCRIPTIONS

DEPARTMENT OF BIBLICAL STUDIES

GENERAL BIBLE STUDIES (BBL)

BBL102 Hermeneutics: 3 credits

Hermeneutics is the science of interpretation and is designed to help bridge the communication gap between God's message (The Holy Scriptures) and us the receivers of His message. In this study, the use of technical words will be avoided, and the methods of the Master Teacher of the Universe, whose style was supernaturally uncomplicated, will be adopted. This study will supply valuable keys to open up the Scriptures by employing seven major laws of interpretation along with numerous other helps.

BBL401 Women of the Bible: 2 credits

This course seeks to give a deeper understanding of women in the Bible and the characteristics, which caused them to be recorded in Scripture. Through these biblical accounts, the role and significance of women is considered in the plan and purposes of God, as well as their influence on their families, friends, and even nations. This study seeks to help the student learn from the lives and decisions of these women and be impacted to be among those who have good attributes and help God's purposes upon the earth.

NEW TESTAMENT STUDIES (NTS)

NTS101 New Testament Survey: 2 credits

This course provides an overview of the New Testament books, including the major sections: The Gospels, the Acts of the Apostles, the Pauline Epistles, the General Epistles, and the Book of Revelation as well as the lives of the gospel writers and the apostles. Also incorporated into this course is the study of the Intertestamental period of biblical history. This course seeks to give well-grounded bases in the word of God to strengthen students' knowledge of the scriptures and also God's plan and purpose for their own lives.

NTS102 Romans: 2 credits

This course is a study of the Book of Romans, which is called "The Masterpiece of the New Testament." The main themes developed in this course are: 1) The wrath of God; 2) The righteousness of God; 3) The life of God; 4) The election of God; 5) The service of God; 6) The kingdom of God; 7) The patience, hope, and power of God. Each section is outlined in the beginning, and in each part there is a simple, but in-depth exposition of the epistle.

NTS103 Acts: 3 credits

This course is a study of the book of Acts, focusing on the beginning of the Church, and The Apostles, who were the foundation stones upon which the Church was built. The Book of Acts is a divine account of the new move of God. This was a time of transition from the Old Covenant to the New Covenant, salvation by faith in Jesus Christ to all mankind. Acts pinpoints the center of the fire of God in the move of the Holy Spirit, and studies the two main leaders of this revival, the Apostle Paul and the Apostle Peter.

NTS201 Synoptic Gospels: 3 credits

This course is a study in the life of Christ through a comparison of the three synoptic gospels, Matthew, Mark, and Luke.
